Going down to the fridge in the middle of the night at Lauren's house may result in a midnight feast you may not have been expecting. "My sister and her boyfriend was staying over one night and I bumped into him in the kitchen at three in the morning drinking milk from the fridge," confesses the 22-year-old. "Without a word, I dropped to my knees and took a drink myself. We had to be totally quiet as my sister was in the next room and it made me laugh when he pumped down my throat while trying not to gasp with surprise and pleasure. I thought he was going to have a heart attack. Then I would have had some explaining to do to my sister!"

Tied frottage

£60

ALLY, HANTS

My husband's favourite pastime is to blindfold me, tie me up and torture me with his tongue and todger.

He takes ages playing with my tits and licking my cunt. Then he fucks me senseless for ages and I enjoy climax after climax.

He always seemed to fuck me differently every Saturday. The strange thing was that when we went to bed he was always rampant for more and would fuck me all over again, really giving it to me.

One day when my husband was at work, I was tidying up when I found three tapes hidden behind the couch. Curiosity got the better of me, and I put one on.

There I was on the TV, naked, tied and blindfolded on the floor. But it wasn't my husband playing with my tits, licking my cunt and fucking me.

It was a complete stranger enjoying my body. I put all three videos on and watched as complete strangers made me cum over and over again.

No wonder my husband was rampant at bedtime, as it was not him fucking me downstairs. I watched in amazement at the videos.

It was a real turn on - I had never felt so horny. I played with myself constantly as I watched the videos.

I haven't told him I know yet – I'm happy to fulfil both our fantasies at the moment!

Ally, Hants.

Bottom feeder

My girly holiday this year was a sextravaganza! It was good to get away from my annoying boyfriend.

One day we were chilling out on the beach when we got talking to a group of surfers. They were a laugh, and we got asked to their barbecue. When I arrived, one of the lads, Lou, came running up – we'd been flirting earlier on and now just grabbed me for a snog.

It felt so good, just lounging by the fire, drinking beers, talking and kissing. I was maybe a bit too honest, moaning about what an arsehole I'd been dating. "So basically you're just using me to get back at him?" said

HE DRENCHED HIS COCK AND MY ARSE WITH MY CREAM

up, and when I hit a spot – like stroking down his spine – he'd just stick his tongue further down my throat and rub up against me even harder.

When he rolled us over so I was on top, his hands kept moving onto my bum. My tits were right in his face, but I had to feed them into his mouth before he sucked them, and even then he was more concerned with my arse. He was playing with my cheeks, fingers creeping closer to my crack. He wasn't even that much into my pussy – he just used it to wet a finger before dipping it in my arsehole. It was two of us soon got frustrated, but he still held back, probing two fingers in and out of my arsehole now, slowly driving me even more mad. I tried to rub myself off against his shaft, but it wasn't enough.

Finally, he asked me did I want to fuck. I asked him which hole. He obviously my bum at first, especially his swollen helmet, but as he inched in, I opened up. He didn't even have to thrust that hard – the my arsehole gripping around him, squeezing with every move either of us made, meant he had to hold back rather than try to get off. Soon, though –

Lou. "Do you really give a shit?" I asked and we just snogged again. I realised there was more to it than that – Lou was fun, chilled out and seriously fucking fit,.

We found this deserted spot in the dunes, around the bay from the party.

I lay back on the towel we'd brought, Lou undressing me and himself. Feeling his hot, muscular body pressing down on mine made me feel hornier than I'd done in months. We took our time, just kissing and feeling each other just the tip at first, then when I moaned into his mouth he slid it all the way in.

He had a lovely big cock on him, so long and hard it was flat up against his stomach, almost touching his belly button. I didn't take it inside yet, just rubbed myself along it so the length of it was resting against my slit. The hadn't expected to get quite that lucky, but he kept his cool and said, "Your arse, if you're up for it."

I told him OK, but to take it slow and easy, which he did. He spent ages over drenching his cock and arsehole with my cunt-cream, till they were both wet and slippery.

It was hard to take him up as he fucked in so deep his balls were rubbing my cunt lips – he spunked his load up my arsehole.

A bloke who knows exactly what he's doing when it comes to anal is the top of my wish list. And if he happens to have a nice big dick as well, I'll be happy!

Ashley, Tonbridge.

What's the frig idea?

Hope you don't mind me sending a message to my fiancé Bradley through *Escort*, but he'll be well chuffed to see it – he's off working abroad for a year, so I post the latest issue to him each month.

I just want to say I miss him – and I wish his dick was buried in my cunt right now – but I'm glad that we agreed we could see other people while we were apart. I tried to be faithful – at first, I'd spend Friday nights in with my sex toys, watching all our pornos and fucking myself to oblivion.

But I've realised that a fake cock won't always do it for me – I need the real thing, a big pole of meat banging in and out of my hole, making me scream out loud and then spurting its jizz inside me.

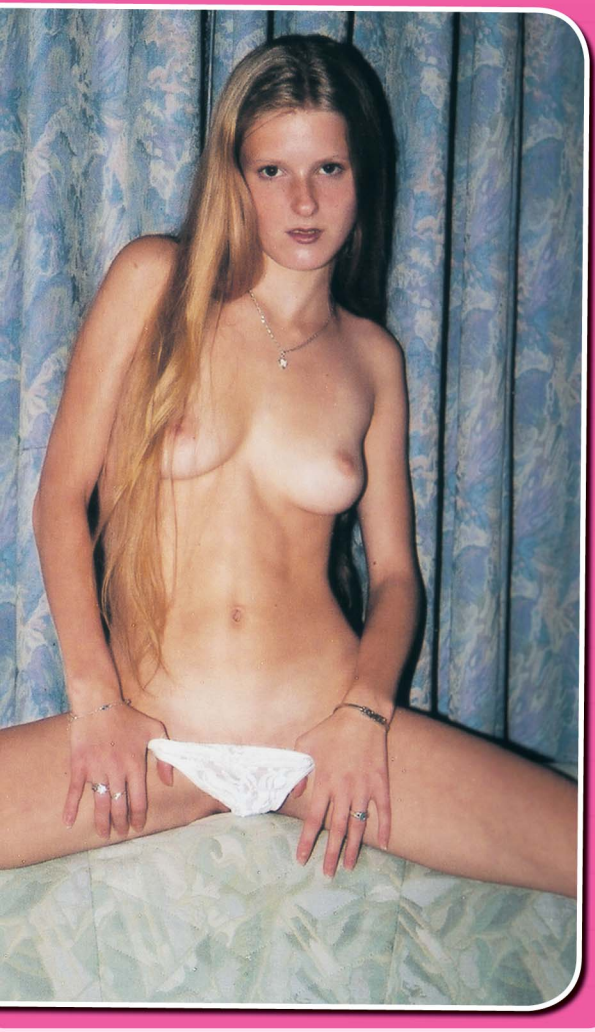
So I've been going out on the pull. I've been honest, telling anyone who I fuck that it's just for fun, a one-night stand. No phone numbers, and sometimes I've even given a fake name.

I'll admit I often cop off with married men – you know it's no strings, then. I feel less guilty and it's easier to ask for what I want. The other night, after a conversation with Bradley about the horniest times we'd had, I went out and brought a bloke home to re-enact them. He found it a bit strange at first, the way I kept telling him what to do, but when he realised he was in for a good, dirty time of it, he shut up and went along with it.

I had him back on the bed, sat reverse on his cock. He was kneading my arse cheeks as I gave his tackle the same treatment, working his length up against my oozing pussy and rolling his bollocks around in his sack.

I rose up and stuck him inside me, circling my hips to stir things up as I fucked him. Then I pulled off and guided his wet length to my arsehole.

He held me open as, slowly but surely, I inched him into my arse, my tight chute gripping him as he slid



HEY, I NEED A BIG POLE OF MEAT BANGING MY HOLE

CLARA, YORKS

deeper. Immediately, I started to frig myself, cumming wetly all over his balls, my ring squeezing his prick.

He played it cool, just kept on fucking, but now my arse was used to the size of him up it, I started to fuck him faster, crouching on my feet instead of my knees for more bounce.

I couldn't see his face. I wasn't imagining he was Bradley – not much, anyway! – just a cock that was giving me massive pleasure. I could hear that he was getting close, though, groaning louder and more often until finally he shoved in balls-deep and I felt the spunk geyser out inside me.

I fucked him absolutely ragged that night. The next morning, he was struggling to get out of bed. I said not to worry, I'd let myself out. He asked what was going on with me that I'd screwed him so hard, I said I just liked sex!

So… Bradley, when you read this, I miss you loads and when you're back no other bloke is going to get a look in – or his cock in.

And to the readers of *Escort* – if my letter got you going and you're up for fun, you may get lucky if our paths cross!

Clara, Yorkshire.

TRUE BLUE

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

Working as a professional submissive, Alex enjoys acting out her favourite role plays with discerning clients. Terribly naughty, it's her business to be bad!

From a young age I found something delicious about being overpowered by a strong, dominant man and being made to call him 'Sir'.

Getting a secret kick out of being verbally disciplined by teachers, bosses and uni lecturers, I always hoped that my cheeky remarks would earn me a sound spanking. Obviously those real-world encounters never led to anything, but they fuelled my fantasies and now I'm doing a job that allows me to live them out.

Originally I was working as a vanilla escort. There was nothing particularly kinky about my sessions, but I had a favourite client who erred on the kinkier side. He noticed how much I enjoyed my appointments with him and recommended I dabble a bit more in BDSM. I'm so glad he did!

It was like a world of fantasy-fulfilling possibilities had opened up to me, so I set myself up as Submissive Alex. Now, as well as offering some of the more familiar escorting services, I specialise in over-the-knee bare bottom spankings; role-plays including schoolgirl/sixth former, maid, secretary, nurse, slave, hostage/prisoner; bondage with rope or cuffs and switch. This is when the submissive fantasy character switches, takes her revenge and dommes her teacher or master in a bid to show him how much that spanking hurt. Be warned, I can be very mean too!

Often, those that enjoy dishing out a jolly good spanking and giving my bottom a rosy glow are people who grew up in the era of strict school discipline. The cute but formal school uniform of the day is one of my personal favourites: I relish playing a cheeky brat whose skirt is far too short and my luxuriously domestic in-call apartment setting is perfect for this type of erotic play, spanking sessions, or corporal punishment using my many implements.

In fact, one of my sexiest appointments ever was a traditional school role play. A gentleman came to visit me with a stunningly beautiful lady companion. He explained that, like me, she was a very bad girl and we both deserved a thorough session of discipline!

French fancy: Alex all maid up

"To my delicious embarrassment, he ordered her to spank my bottom while he watched"

Caned and able: Sub Alex in action

Interview by Rose Crompton

She looked amazing with her pleated school skirt and tie on, but soon we were both stripped naked and one by one went over his knee for very hard spanking on the bare bottom. After, to my delicious embarrassment, he made me go over her lap and ordered her to spank my bottom while he watched, before swapping! He then instructed us to kiss and cuddle one another to comfort ourselves (which worked a treat!) while he watched our red bottoms in the mirror and touched himself. Then we offered to help finish him off together, like well behaved girls!

Of course not everyone is nostalgic for old school days. My services are incredibly varied and attract people from all walks of life. Some are 18, some are 80, some are couples, some have an adventurous fetish to explore and some are dipping their toe in the water for the first time.

I have a set hourly and half-hourly rate, which includes role-playing, me in any uniform of choice, endless hard hand spanking, and a fully personal erotic service. I charge extra for certain services such as corporal punishment with implements and bondage. A typical session will start with a chat about the role play or service they'd like. When they're ready, I'll go and dress up in the other room, before knocking respectfully and waiting to be called in by Sir or Madam. We will then enact the role play, invariably leading to me bent over their lap, being spanked for some misdemeanour! This may lead to other naughtiness, like me being prepared to do anything to wiggle out of my punishment. Sir is usually quite hot and bothered about my white cotton knickers and red bottom by this point, so I do my best to relieve him. See, I am a good girl really!

At the moment I enjoy playing the naughty maid, who has been caught watching dirty videos while she was supposed to be cleaning the house and must be punished or face the sack. However, I'm always on the lookout for new stories to play out!

Find out more about Alex's services at http://www.submissivealex.com or follow her on twitter @LondonSubAlex

SEX WITH ALL THE STRINGS

Daisy Blade searches for the perfect position to get her gushing...

Every now and then I feel inclined to peruse the glossy mags' features, just to get a grasp on what bullshit is currently being spouted in regards to how women are supposed to please their man – and despair.

The one I read this month was all about exciting new sex positions which they say once you've tried you'll never go back to missionary or doggy-style and he will love you more for wanting to "sexperiment".

Playing devil's advocate, I decided that Mr B and I were going to try some of these "mind-blowing" positions. At the end of it I was going to ask him whether they had the ability to make him love me more and if we could ever do away with the classics. I feel this is the closest contribution to sexual science me and Mr B will ever make, so we tried to take it as seriously as possible (honest).

The first position we tried involved Mr B kneeling up as tall as he could and lifting my legs straight up with one either side of his head so I was basically in an upside-down position, but my head and neck still on the bed. This is a shit position for anyone that has bad balance, like me.

Flower-arranging classes had been sexed-up

Determined not to be defeated, we moved the position on to the floor for some stability and took the blanket with us to avoid carpet burn. Although this was better balance-wise, we quickly discovered this was a hard position to accomplish when one partner is taller than the other. We copied the picture and all, but in doing so my pussy was up past his tummy and his hard-on was prodding me in the back. He lowered me down, he lowered himself down and before long we were basically back in missionary position. Mind unblown.

The next night we tried 'All Around The World', a girl-on-top position. Oh yes, I like the idea of spinning around on his cock squealing, "WHEEEEE!" Needless to say, we got half-way before realising that manoeuvring legs and arms while keeping my pussy on his pole was not a fluid movement, no matter how much lube you use. When he asked if I was literally trying to "screw his cock off" I gave up and we finished in reverse cow-girl.

Night number three and I was feeling optimistic about this one, because it involved a yoga move. I've recently started going to yoga classes. Standing with legs hips width apart, I bent over and placed my hands on the floor. It's called the 'Downward Dog' in case you were wondering. Mr B loved the look of this position, my pussy all up in the air, ready for the taking. He plunged in. A promising start and he got a good grab of my hips.

I screamed for him to fuck me harder. Being taken from behind is my preferred position. He obliged and thrust hard and deep. "Oh yeah! Yeah! Harder, fuck yeah... OW, fuck!" My head hit the floor. Embarrassing, but I'm fine, re-position, carry on, I'm close. "Ooh, ohh, yeah, OW!" Ah, for fuck's sake my fucking head! It was going so well! Conclusion: a good position, but only if you want it gently and let's be honest, being taken from behind is all about a good, hard, fucking. We finished doggy-style.

So, at the end of our testing, how did Mr B feel about it all? Did he appreciate my eagerness to sexperiment so we might have a happier sex life? "No, half the time you looked ridiculous or uncomfortable and the other half of the time I was worried about hurting you." He wasn't wrong, none of them made us cum. Our findings reveal that although trying new positions is fun, sticking to what you know is way more satisfying.

ALISON, LINCS

Prussian Blue

We've been into swinging for a few years, so when we went on holiday to Berlin we thought we'd try and check out the swinger club scene there!

When we arrived it was obvious that as far as our choice of club went, we had made the right choice. We got on much longer than we usually would in a club, so we all decided to take it on to one of the club's rooms.

The room we went to was basically a square, with a soft floor – not quite a mattress, but padded. I looked at out German friends as they undressed. Linde was firm and fit with smallish tits, and had blonde hair. She looked like she spent time at the gym. Lamarr was fit and firm-bodied too, with short brown hair and a big dick.

Linde took Richard's cock and wanked it so it was as hard as it could get, then licked up and down its length. I followed suit with Lamarr's dick. Already my juices were flowing and I was eager to get his cock rammed up me as soon as I could.

I took the lead and lay back on the floor. Lamarr wasn't ready to feed my hole his cock yet though, and began lapping at my shaven cunt!

As he paid attention to my clit I looked over at Richard. Linde was rolling a condom onto his cock – lucky cow, she was going to take his length!

I was surprised when she got on all fours and smeared lube onto her tight little arsehole though. She was offering my husband her arse!

SHE OFFERED MY HUSBAND HER ARSE!

in with no fuss, and it looked as if most people spoke English!

We were getting on very well with a German couple who were a little younger than us.

They were very interested in Britain and the swinging scene here as they were planning a trip. We'd chatted

I watched as he eased his dick into her bumhole – I'd never seen him fuck another woman in the arse before, even though he'd done me there plenty of times! It was a sexy sight.

Lamarr filled my pussy with his meat in one slow thrust. His cock felt good inside me, and he began to pound away in steady strokes.

Linde was panting and calling out as she frigged herself while Richard fucked her arse. I reached over and fondled her nipples, and I knew this was the kind of thing that would send her over the edge! I was right – she wailed and panted, cumming on her fingers so hard that Richard's cock was squeezed out of her arse.

I was close to orgasm myself – but I tend to cum quietly. Lamarr fucked me steadily, pumping in and out with regular thrusts. Just the way to make my cunt quiver! I took another look at Linde.

She was flicking her clit while Richard fucked her cunt hard and fast. She started to cum again, and I could see Richard would be able to hold on. Then I saw from his face that he was there, pumping his mess into the condom inside her!

It was my turn – I couldn't hold it back if I'd tried! I convulsed with it cumming hard and long. As I relaxed back after the final wave Lamarr pulled out of my cunt and spewed a hot load of jizz over my stomach!

The Dyke Side

I'd been bi-curious for about a year when a lesbian mate of mine finally did something about it – fixed me up her ex.

Abi was cute rather than stunning, smiley with big blue eyes. Somebody who'd fuck for fun and not take it personally if my experimentation didn't work out!

I ended up at hers, just tipsy enough to stop being shy, and she took me straight to bed. She got on top of me, sliding a knee between my thighs, so it squashed my swelling cunt-lips against clit.

I watched her boobs jiggle over my face and then I kneaded them together around it, shaking my head from side to side.

As I sucked on her nipples, her hand trailed in between her legs. As she worked away at her clit, I rubbed up against her thigh, turned on when I felt her body tense then shudder with pleasure.

"Sorry, sweetheart, you just got me too turned on," she said. I didn't mind – I was sure I'd soon get to cum too.

She asked did I like toys and of course I said yes. Her latest find was this little golden bullet-looking thing. I couldn't believe it had enough oomph to get her off, but as she touched it to my pussy – just the outer lips to start with, I felt it had plenty.

"Just lie back," she told me – I had to hang on to the headboard to keep my hands to myself!

She kept on teasing me with the vibe all over the outside of my pussy, so by the time she skimmed it along the slot between them, I started squirming – and it only took about a minute for me to cum.

Next I said I wanted her to lick me, to just feel a woman eat my cunt.

She closed her mouth over my hole, sucking gently as her tongue flicked in and out, and her fingers worked over my clit. Every now and then I'd feel her swallow, and when the pleasure hit me full on, she strung it out for longer than I'd ever managed myself.

She knew a few more tricks as well, like hooking her fingers to catch my G-spot. I kept telling her to rub my clit as well but she just told me to be patient. And again it was a slow, warm build-up but when I finally climaxed I couldn't move and my pussy gushed.

When I saw the mate who'd fixed us up I gave her a big kiss. She asked if I'd "come over to the dyke side" and I smiled and said I'd be seeing Abi again very soon. And I can't wait!

Kristin, Norfolk.

Good lay-By

My hubby and I had a weekend away recently, having plenty of sex in all sorts of places:

on the beach, in the woods, in the pub car park, a real good sexy weekend all round!

On the way home I was still feeling horny so I asked my hubby to pull over at the next lay-by. I took my knickers off and told him to come round my side of the car and lick my pussy.

I opened the car door and sat sideways on the seat. He knelt down in front of me and sucked away. I came quite quickly and screamed loudly. When I opened my eyes there was another driver standing there – we hadn't noticed a lorry pull up behind us.

The driver had been standing there watching us and from the bulge in his trousers he had enjoyed what he had seen.

His name was Frank and when I told him I would love to suck his cock he invited me, and hubby Brian into his cab.

There wasn't a lot of room in the cab, but we managed. As he was a long distance lorry driver there was a bed in there.

I sat down and unzipped his pants and pulled his big cock out. I began to suck him off; while I was doing this Brian had spread my legs and had his fingers deep inside me.

I was getting very wet and needed fucking. Frank lav down on his bed and I got on top of him.

His cock slid deep inside me, my juices dribbling down to his balls.

Brian put his cock in my mouth and I sucked on him hard. I then demanded a cock in my arse as well, so Brian came up behind me and gently eased his cock up my sexy bum hole.

As soon as his cock went inside me I came long and hard. I screamed loudly and my juices flowed wetting Frank through.

We carried on fucking until both of them shot their load inside me, and when this happened I came again.

I still wasn't satisfied and asked if one of them would fist fuck me. Frank got there first and eased his fingers into me gently, pushing them deeper into me until he had managed to get his whole fist up there.

I WAS GETTING VERY WET AND NEEDED FUCKING

£90

While he gently fist fucked me, Brian twiddled my clit and we carried on like this until I came again.

My juices splashed out of me wetting his bed but I was loving it and didn't care.

We swapped phone numbers and when he's next in our neck of the woods, he said he'll ring and we can pick up where we left off. I can't wait.

Dee, Lancs.

In a case of blatant police brutality, we predict you will be battering your cock to within an inch of its life, and perhaps pretending it made a false statement that it called you a pleb, after spending a couple of minutes in the company of these mag shots of Vixen. "I love pretending to be a copper, bossing my man around, and getting him to strip and spread for me," says the very special constable. "He's served three years with me so far and I get him off with my bad behaviour, every single night of the week!" Lucky lad!

Hard Worker

One night when we were having a good session my wife Lara started telling me what she'd like to do to my workmate Karen.

The horny bitch had me cumming in seconds and from then on whenever we bonked we'd always discuss Karen and we'd both get a good cum out of it.

Well a couple of months later came the office Christmas party and we sloped off to have a bit of fun.

We tried the storeroom first but some randy pair had beaten us to it so we ended up in an office. We shut the door and the fun began.

I pulled her down to the floor and screwed her there. We were both so carried away that we never heard the door open.

We kept going at it hard until Lara suddenly screamed for me to stop. I turned around and saw Karen standing there with a huge grin on her face.

She told us it was the first decent bit of action she'd seen in ages. Lara asked if it was turning her on to watch us, and she said it was.

I was stunned by what Lara said to her next. "Why don't you show us how horny you feel?" she said.

With that Karen lifted up her skirt to reveal stocking-clad legs, a pair of sexy black knickers and a lovely hairy pussy hiding behind them.

She started to rub herself and asked if we liked her little show. Lara said we'd like it even more if she played with her pussy properly.

So Karen pulled her knickers to one side and started to run her fingers through her hairy mound. I got up and went over to her.

I put my hand down to her pussy and started to kiss her. She told me to lock the door so no one would walk in on us.

As I did that Lara went over to her. Karen took Lara's arm and placed it on her pussy. Lara began kissing her and rubbed her clit.

Lara sat Karen on the desk and knelt between her legs, probing at her wet pussy with her tongue. You can imagine how turned on I was by now!

Suck Stop

Here are some pictures of my partner Linda who last appeared in *Escort* vol 32 no 10.

Linda was getting horny looking at all the ladies in your mag and told me she wanted to go out in the car for some outdoor fun.

The dual carriageway was fairly quiet so she told me to get my cock out and wanked me off as we drove, telling me how horny she was.

We noticed a lorry up ahead of us and she told me she was going to flash at the driver.

She got on her knees on the passenger seat and started to suck my cock, sticking her arse and pussy up to the window, giving the driver a good look. He must have liked what he saw as he honked his horn.

This got her even hornier as she gushed her cum all over my probing fingers. I asked her if she wanted to fuck him and she let out a moan as she swallowed my cock right down to my balls.

We pulled into a lay-by and the trucker followed. She carried on sucking me off as the driver approached.

He opened the door crouched down and stuck his face into her pussy, licking and sucking her big pussy lips, as she gushed all over him.

We then took her up the side of the lorry and fucked her at both ends, swapping over till we were ready to spunk, all over her face and tits. She ate it all up.

She says her next fantasy is to suck and fuck with a black girl who we hope to meet through your mag.

My cock was standing to attention and I had to get in on the act. I pulled Karen back on the desk so she was lying down.

I lowered my truncheon into her mouth. On seeing this Lara licked more vigorously

I PLUNGED MY COCK DEEP INTO HER, DOGGY

and Karen came again. I took my cock out of Karen's mouth and positioned myself behind Lara.

I plunged my cock deep inside her doggy-style. I'd never felt her pussy so wet and it was only seconds before she was cumming.

The room buzzed with sexual excitement and after a few minutes I came hard into Lara's juicy pussy.

I pulled my cock out and offered it to Karen. She licked and sucked Lara's juices off it greedily.

We then sorted out our clothes, and returned to the party like nothing had happened.

SHE GUSHED HER CUM ALL OVER MY PROBING FINGERS

First Meat

KELLY, SURREY

About a month ago I went out on the town with my mates. I hadn't had a decent screw since Easter so my pussy was desperate for a pumping.

We started at a couple of popular bars. I was a bit disappointed with the standard of blokes.

The club was packed and we were already pissed so we went straight to the dance floor. I noticed a bloke dancing near me.

You couldn't say he was good-looking, but what I did notice was that he had a definite bulge in his pants.

Without further ado we were snogging and I surprised myself by asking him to come back to my flat.

I FELT INCREDIBLY FULL OF HOT HARD COCK

I bundled him into the front room and we crashed onto the sofa. Then I made him stand up while I pulled his jeans off.

As I forced them down over his thighs I could see the outline of a great big todger. I yanked his jeans off and I trembled in anticipation as I was about to pull his boxers down.

I wasn't disappointed. As his boxers came down the most enormous schlong sprung up and whacked me on the chin.

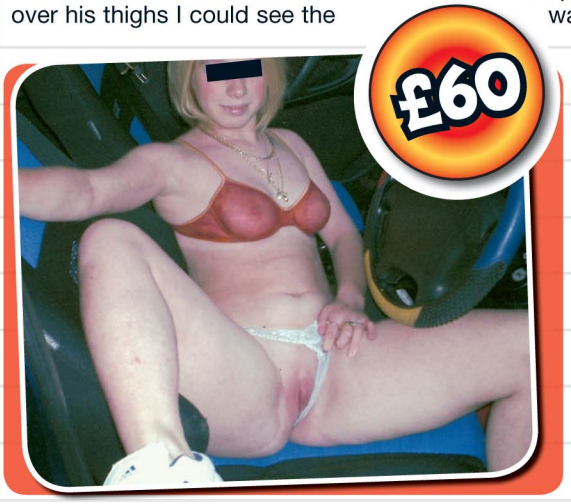
Well what else could I do? I took a firm hold of the thick shaft and took the shiny helmet into my mouth. I sucked up and down his monstrous length.

He moaned with pleasure as I attempted to deep-throat him. I'm usually good at that, but his cock was so big and fat that I couldn't even get halfway.

I hitched my skirt up and at the same time he pulled my sodden pants down.

My gash was juicy as a watermelon, which definitely helped as he nudged his monster helmet against my tender, swollen lips.

At first it hurt as his bell-end popped inside me. Then, as he slowly worked his pole in the pain gave way to the most amazing pleasure.



After about a minute of slow penetration he was up to his nuts in my quim. I felt incredibly full of hot hard cock.

He slowly pulled out again and began to pump his mega-dick in and out of my slippery pussy. He didn't last long, but it was long enough for me to cum.

When he did pull out and shoot, he came like a waterfall. I've never seen so much spunk!

He is now my boyfriend, and I'm a very happy girl.

Jane, Taunton.
